1. POLICY BASICS

Q: What is an insurance policy? A: An insurance policy is a contract between you (the policyholder) and our insurance company. It outlines the coverage provided, premium amounts, deductibles, and terms & conditions. Q: What types of policies do we offer? A: We offer comprehensive coverage including: - Auto Insurance (liability, collision, comprehensive) - Home Insurance (dwelling, personal property, liability) - Health Insurance (individual, family, group) - Life Insurance (term, whole, universal) - Travel Insurance (domestic & international, trip cancellation, medical) - Business Insurance (general liability, property, workers compensation) Q: What is a premium? A: A premium is the amount you pay periodically (monthly, quarterly, annually) to maintain your insurance coverage. Premiums are calculated based on risk factors, coverage amount, and policy type. Q: What is a deductible? A: A deductible is the amount you must pay out-of-pocket before insurance coverage applies. Example: If your deductible is ■5,000 and you file a ■20,000 claim, you pay ■5,000 and insurance covers ■15,000. ---

2. POLICY RENEWAL

Q: When should I renew my policy? A: Most policies have an annual renewal date. We send renewal notices 30 days before expiration. Renew online, by phone, or through your agent. Q: What happens if I don't renew on time? A: If your policy lapses, you lose coverage immediately. Reinstating requires new underwriting and may result in higher premiums. Q: Can I change my coverage during renewal? A: Yes! Renewal is ideal for adjusting coverage limits, deductibles, or adding/removing optional coverages. Our AI agent recommends adjustments based on your life changes. Q: Will my premium increase at renewal? A: Premium changes depend on claims history, age, usage changes, and market factors. We provide detailed explanations of increases before renewal. Q: How can I get a better renewal rate? A: Consider bundling policies, maintaining a clean claims record, improving CIBIL score, or installing safety features. Our recommendation engine suggests cost-effective options. ---
